## Will Cure Consumption.

A. A. Herren, Finch, Ark., writes:  
"Foley's Honey and Tar is the best  
preparation for coughs, colds and  
lung trouble. I know that it has cured  
consumption in the first stages." Sold  
by Arcadia Valley Drug Co.The death of Sol Smith Russell is a  
distinct loss to the American stage.  
He was both a genius and an artist in  
his profession, but he was more—he  
was a man of high character and pure  
life. There was cleanliness and whole-  
some about his plays; they amused  
and instructed and were entirely free  
from vulgarity, actual or suggestive.  
His remarkable success proves that an  
actor with talent does not have to  
pander to depraved tastes.

## No Loss of Time.

I have sold Chamberlain's Colic,  
Cholera and Diarrhoea Remedy for  
years, and would rather be out of  
coffee and sugar than it. I sold five  
bottles of it yesterday to threshers that  
could go no farther, and they are at work  
again this morning.—H. R. PHILIPS,  
Plymouth, Okla. As will be seen by the  
above the threshers were able to go on  
with their work without losing a single  
day's time. You should keep a bottle  
of this Remedy in your home. For  
sale by Arcadia Valley Drug Co.

## Traveling is Dangerous.

Constant motion jars the kidneys  
which are kept in place in the body by  
delicate attachments. This is the  
reason travelers, trainmen, street car  
men, teamsters and all who drive very  
much suffer from kidney disease in  
some form. Foley's Kidney Cure  
strengthens the kidneys and cures all  
kidney and bladder disease. Geo. H.  
Hausan, locomotive engineer, Lima,  
O., writes, "Constant vibration of the  
engine caused me a great deal of trouble  
with my kidneys, and I got no relief  
until I used Foley's Kidney Cure."  
Sold by Arcadia Valley Drug Co.The Chicago Record-Herald says:  
"There will be nothing but hearty  
approval throughout the country of the  
action of the Danish Rigsdag in making  
the ratification of the cession of the  
Danish West Indian islands conditional  
upon the consent of the inhabitants of  
those islands. We have had enough  
of acquiring islands with an insurrec-  
tion thrown in to make us wary of  
buying sovereignty over any people,  
however small their numbers, without  
securing their consent to the transfer.  
The good will of the inhabitants of the  
Danish Isles is of more consequence to  
the United States than the good title  
Denmark can give and our \$4,000,000  
can buy. Besides, we will feel much  
more contented with the bargain when  
it brings us citizens by their own votes  
and not chattels by right of bargain or  
sale." How did it happen that the  
treaty-making power in this country  
did not make the ratification condi-  
tional upon the consent of the in-  
habitants of the islands? Is it not  
somewhat significant that the principle  
of consent recognized by the legislative  
body of a monarchy, when that prin-  
ciple was wholly ignored by the treaty-  
making power of a republic?—The  
Commoner.

## Whooping Cough.

A woman who has had experience  
with this disease, tells how to prevent  
any dangerous consequences from it.  
She says: Our children took whooping  
cough last summer, our baby being only  
three months old, and owing to our  
giving them Chamberlain's Cough  
Remedy, they lost none of their plump-  
ness and came out in much better  
health than other children whose  
parents did not use this remedy. Our  
oldest little girl would call lustily for  
cough syrup between whoops.—JESSE  
PINKNEY HALL, Springville, Ala. This  
Remedy is for sale by Arcadia Valley  
Drug Co.

## Memphis Commercial-Appeals says:

"The inequities of the tariff are becom-  
ing more and more known through the  
study of the question in specific in-  
stances. No matter how strong a news-  
paper may be in favor of the high  
protective tariff it will not be likely to  
tolerate the tariff on blank paper and  
wood pulp that takes money out of  
their pockets and places it in the  
pockets of the paper trust." It will  
be remembered that some time ago  
when the paper trust was bearing  
down on newspaper publishers, repub-  
lican newspapers insisted that unless  
there was a check on trust exactions,  
the tariff in which this particular trust  
was interested would be removed; and  
yet when it was proposed to remove  
the tariff on all trust made articles,  
the same republican newspapers very  
generally entered vigorous protest and  
insisted that there must be no tamper-  
ing with the tariff laws. Because of  
some mysterious and potent agency,  
republican papers generally seem to  
prefer to submit to trust exactions  
rather to assert their rights.—The  
Commoner.

## Reveals A Great Secret.

It is often asked how such startling  
cures, that puzzle the best physicians,  
are effected by Dr. King's New Dis-  
covery for Consumption. Here's the  
secret. It cuts out the phlegm and  
germ-infected mucus, and lets the life-  
giving oxygen enrich and vitalize the  
blood. It heals the inflamed, cough-  
worn throat and lungs. Hard colds  
and stubborn coughs soon yield to Dr.  
King's New Discovery, the most infall-  
ible remedy for all Throat and Lung  
diseases. Guaranteed bottles 50c and  
\$1.00. Trial bottles free at Arcadia  
Valley Drug Co.The American chamber of commerce  
of Manila has passed resolutions in  
praise of the army and declaring that  
our soldiers have not violated the rules  
of war. In view of the fact that Gen-  
eral Smith admits issuing the order to  
kill and burn, and in view of the  
further fact that Major Waller admits  
executing the order, the chamber  
seems to have blemished itself rather  
than cleared the army.

## You Know What You Are Taking

When you take Grove's Tasteless  
Chill Tonic because the formula is  
plainly printed on every bottle show-  
ing that it is simply Iron and Quinine  
in a tasteless form. No Cure No Pay.  
50c.FOR RENT—Six-room residence on  
Russell street, opposite Sheriff's res-  
idence. Apply to H. Barnhouse.The Springfield, Massachusetts, Re-  
publican says: "The report of the  
civil governor of Tayabas province in  
the Philippines, which has finally been  
wrong from the war department, com-  
pletely justifies General Miles' state-  
ment that the war has been conducted  
with marked severity." Its publi-  
cation, coming simultaneously with the  
accounts of the Waller court-martial  
at Manila, renders the proof over-  
whelming. Yet Mr. Root had this re-  
port in his possession when he wrote  
to the president on March 5 that the  
warfare in the Philippines had  
"been conducted with marked humanity  
and magnanimity." It is now in  
order for Messrs. Roosevelt and Root  
to apologize to General Miles, and yet  
if we are to believe the reports of  
newspapers having the confidence of  
the administration, instead of extend-  
ing an apology the administration will,  
as soon as it can summon courage, re-  
tire the general from the head of the  
army.—The Commoner.Foley's Honey and Tar is peculiarly

## A Lesson in Health.

Healthy kidneys filter the impurities  
from the blood, and unless they do  
this good health is impossible. Foley's  
Kidney Cure makes sound kidneys and

and bladder disease. It strengthens  
the whole system. Sold by Arcadia
